Qualifications

- Graduation from a Canadian program from an approved School of Occupational Therapy.
- Current registration with the College of Health and Care Professions of British Columbia (CHCPBC). Eligible for membership in the Canadian Association of Occupational Therapists or British Columbia Society of Occupational Therapists.
- Valid Driver's License.
- Have less than 18 months' worth of employment experience.
- Have not participated in a new graduate or transition to practice program with another B.C. Health Authority.

// WHY INTERIOR HEALTH?

As one of five regional publicly funded health authorities in the province, we strive to live out our vision, health and well-being for all, as we deliver hospital, community and long-term care services to the over 834,000 people.

Everybody plays a role in the care continuum. We place an emphasis on diversity, inclusion, and equal opportunities. We strive to create an environment where you enjoy the work you do, your place of work, and the people around you. Discover why so many people have chosen to live, work, and play in the **southern interior of beautiful British Columbia.**
