

Come and join our growing therapy team at Manitoba Possible.

Position: **Occupational Therapist**

Full-time, 1-yr Term position

Reports to: Clinical Manager, Provincial Outreach Therapy for Children

The Position

The successful applicant will provide Occupational Therapy assessment, intervention and consultation/training to children, their families and/or caregivers, enrolled in Manitoba Possible's Provincial Outreach Therapy for Children (POTC) program. The successful applicant will work in the Winnipeg region and will be based out of SSCY Center.

Manitoba Possible's POTC therapists work as an interdisciplinary team of PTs, OTs and SLPs providing services to preschool children who have developmental and/or physical disabilities. These consultative services are provided in the child's natural environment – home/ daycare/ nursery school.

Qualifications

- Registered with the College of Occupational Therapists of Manitoba
- Knowledge and experience in the delivery of pediatric Occupational Therapy services
- Experience with consultative/collaborative service delivery model
- Commitment to family-centered practice
- Understanding and compliance and adherence to privacy and confidentiality standards as outlined in professional standards of practice and agency, provincial and federal guidelines.
